Dear Members,

Once again the CCMA Conference is just around the corner and as hosts, Sacramento County welcomes all the members of CCMA to attend and share their ideas in this changing world of Mapping Technology.

All the members are encouraged to register as soon as possible, or at least let me know of your intentions to attend. This will be very helpful for planning and also how many of the members are expected for this event.

Reservations at Radisson Hotel in Sacramento, for this conference, can be made via individual call in and it will be automatically guaranteed by the individual's credit card. All reservations are to be made by September 15, 2008. Please be sure to identify CCMA Affiliation to receive the group rate of \$103.00 per night. Members may make reservations directly with the hotel by calling (916) 922-2020.

We look forward to seeing all the members in October, to make this conference a big success. I am sure you will have a nice stay in Sacramento.

Sincerely,

Anita Pathak  
President CCMA (2008)

Note: a preliminary agenda is being enclosed.
