

# 2021 CCMA Conference Agenda

## Hosted *Virtually* by Sacramento County

### October 20<sup>th</sup> & 21<sup>st</sup>

2021 California Cadastral Mapping Association Officers:  
President- Charmaine Yeung, Sacramento | Vice President- Mark Herbst, San Luis Obispo  
Secretary – Lynette Stone, Contra Costa | Treasurer – Lynn Zhang, Santa Clara  
Past President– Jason Santos, Riverside | Information Officer– Matt Niblett, Santa Barbara

---

## Pre-Conference Social - Tuesday, October 19<sup>th</sup>

11:30 - Noon      **Say Hello & Test your equipment with CCMA members and Brandon Harris**

## Wednesday, October 20<sup>th</sup>

9:30 -9:45 AM      **Greetings, Pledge, Roll Call**      Charmaine Yeung, Sacramento

**Welcoming Address**      Jarret Stedifor, Assistant Assessor

9:45-10:30 AM      **Presentation by CA State Geographic Information Officer**      Isaac Cabrera, State of CA  
Location technology, GIS, and other factors are impacting      Dan Henderson, ESRI  
Assessment and land records. These include but aren't limited to  
webGIS, agency data sharing and collaboration, attracting and retaining  
talent, and streamlining outdated and paper workflows.

10:45-11:45 AM      **“An exploration of the Complexity of Parcel Mapping”**      Frank Conkling,  
Panda Consulting  
On the surface, parcel mapping appears to be a simple formula-  
take the bearings and distances provided on the legal description,  
calculate the differences in the coordinates and adjust the data to fit  
everything together. However, there are a multitude of complexities  
built into the process of parcel mapping that thwart the mapper at every  
turn. This presentation will explore some of these complexities and  
attempt to bring fresh perspectives on the process, discussing various  
methodologies being used across the country and advances in the  
software that result in a better representation of the true locations and  
geometries of the parcels.

-Lunch Break-

1:30-2:20 PM      **“.DWG's, the challenges they present to Counties”**      Brandon Harris,  
Harris & Associates  
We are going to discuss some of our experiences with .DWG's  
and the different challenges they present. We will look at how they  
can be handled differently from County to County and the unique challenges,  
as well as benefits to converting .DWGs into a Parcel Fabric model.

2:30-3:15 PM	<b>Round Table Discussion part 1</b> Anything we want to discuss, e.g., LLAs without deeds, Roads Granted In Fee, Parcel Map Waivers, Assessor's Map Standards, Legal Descriptions for Tax Sale, etc.	All invited to participate
3:15-3:30 PM	<b>Nominations for 2023 conference host</b> <b>Day 1 Closing</b>	Charmaine Yeung

**Thursday, October 21<sup>st</sup>**

9:00-9:30 AM	Officers Meeting, closed session	
9:30-10 AM	<b>CCMA News: Treasurer's report, Announcements,</b> <b>CCMA Education Committee news, conferences</b>	CCMA 2021 Officers
10:10-10:30 AM	<b>"Development of a TRA/parcel viewer</b> <b>for county Auditor's office"</b>	Matthew Niblett, Santa Barbara County
10:30-11:30 AM	<b>Round Table Discussion part 2</b>	All invited to participate
<i>-Lunch Break-</i>		
1:30-2:15 PM	<b>"Parcel Fabric Roadmap"</b>	Matt Twietmeyer, ESRI
2:15-3:00 PM	<b>"Making your appraisal data go further with GIS"</b>	Carissa Choong, Sidwell
3:00-3:15 PM	<b>Conference Closing</b>	Charmaine Yeung & Mark Herbst, SLO County

**A SPECIAL THANK YOU TO:**

SACRAMENTO COUNTY,

ALL OF OUR STATE AND COUNTY PARTICIPANTS,

ALL OUR MEMBERS, SPEAKERS, VENDORS & SPONSORS!
